Zak went in and out.  
The pup went in and out.  
Zak went up.  
The pup went up.

The pup saw Zak.  
He saw Zak buzz here and there.

“Buzz, buzz,” went Zak.  
Buzz here. Buzz there.

Zak got mad at the pup.  
He went zap at him.  
Then the pup went zig,  
and Zak went zag.

Zak went zip here  
and zip there.  
The pup went zip here  
and zip there.

Zak went zig.  
Zak went zag.  
The pup went zig and zag.
