Lesson 1 Reteach

Make 4 and 5

1

4

3 and 1

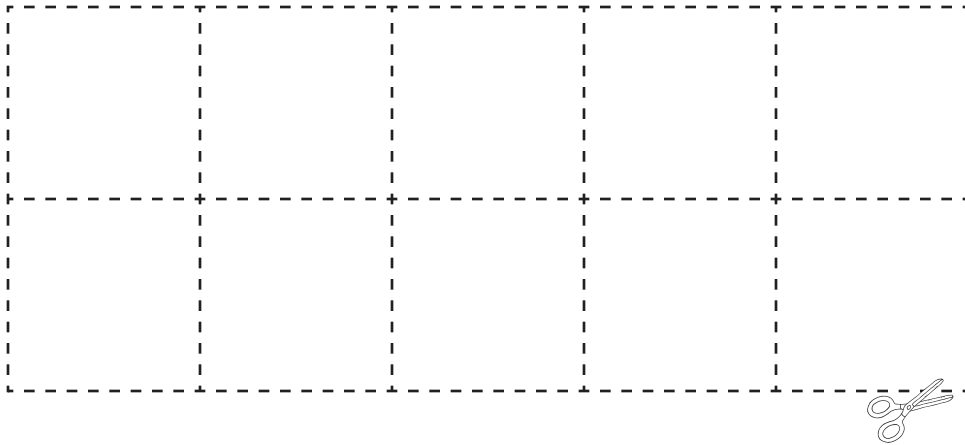

A large rectangular box containing four smaller boxes. The first three boxes are shaded gray and are arranged horizontally. The fourth box is dashed and empty. Below the first three boxes is the number '3', and below the fourth box is the number '1'. The word 'and' is placed between the '3' and the '1'. Above the three shaded boxes is the number '4'.

2

5

2 and 3

A large rectangular box containing the number '5' at the top center. Below it, the number '2' is on the left, the word 'and' is in the middle, and the number '3' is on the right.
